## EVENTS IN THE NETHERLANDS

OFFSHORE ENERGY EXHIBITION & CONFERENCE – SETTING -UP A WIND LOUNGE?		
date	8-9 October 2019	<p><b>WOULD YOU BE INTERESTED IN A SPOT AT THE WIND LOUNGE?</b></p> <p>On the request of several companies who are active in the wind sector, we have investigated the possibility to set up a <b>dedicated Wind Lounge at the Offshore Energy Exhibition &amp; Conference</b>. Subject to the number of interested parties, this lounge would consist of a fully furnished stand of approx. 12-18 meters that can accommodate up to 10 exhibitors. Indicative pricing EUR 1800-2300 per exhibitor. Minimum number of participants: 6. <b>If you are interested to join us in the wind lounge? Send an e-mail to <a href="mailto:danielle.veldman@nwea.nl">danielle.veldman@nwea.nl</a> and we will keep you up-to-date on the progress of this initiative.</b></p>
location	Amsterdam, The Netherlands

<b>EXPRESSIONS OF INTEREST INVITED</b>		

OFFSHORE ENERGY EXHIBITION & CONFERENCE – INCOMING INTERNATIONAL TRADE MISSIONS		
date	8/9 + 10 October 2019	<p><b>INTERNATIONAL TRADE DELEGATIONS VISITING AMSTERDAM</b></p> <p>Together with Navingo, the branch organisations (HHWE, IRO, NMT and NWEA) together with RVO are working hard on attracting international trade delegations to visit OEEC. We are jointly establishing a programme that includes visiting the exhibition, country-specific seminars &amp; workshops and company visits. <b>Are you interested to welcome an international delegation at your premises on 10 October? Let us know and we will be in touch to provide more information and to link you to relevant international stakeholders.</b> Preliminary list of interested countries: Brazil, Mexico, USA, UK, Norway, Germany, Poland, Lithuania, Spain, France, Vietnam, Japan, China and more to follow!</p>

OFFSHORE ENERGY EXHIBITION & CONFERENCE – NMT HOLLAND PAVILION		
date	8-9 October 2019	<p><b>ARE YOU INTERESTED IN THE HOLLAND PAVILION AT OEEC?</b></p> <p>Maritime technology, products and expertise from the Netherlands will be presented in the Holland pavilion. The Holland Pavilion is the place to meet Dutch shipyards, suppliers and service providers who work together to achieve the impossible in all locations and conditions. In the field of maritime technology, these companies – large and small – are always one step ahead in the quest for new challenges and solutions. Are you interested to join? Contact Joella at NMT!</p>

## MISSIONS & MEETINGS ABROAD

JOIN THE PIB OFFSHORE WIND US!	
date	N/A
location	N/A
website	<a href="#">Click here</a>
contact	<a href="#">Arjen Schutten</a> - HHWE
<b>CALL FOR PARTICIPANTS</b>	
<p><b>NOW IS THE TIME TO REALIZE YOUR AMBITIONS IN THE US OFFSHORE WIND MARKET!</b></p> <p>By joining the Partners for International Business (PIB) Offshore Wind US, you will be part of a program that supports Dutch companies to identify and capitalize on business opportunities at the East Coast of the United States. Its main objective: creating a solid basis to realize service agreements and export orders for all PIB participants. The annual fee to become a member of PIB Offshore Wind is €3.500 for companies and €2.500 for R&amp;D Institutes. The fee includes conference tickets for the annual IPF and AWEA Offshore Wind Conferences. In principle the program runs for three years, and may be extended subject to interest of participants.</p> <p><a href="#">Read more</a></p>	

TRADE MISSION TO POLAND AND LITHUANIA, Q1-2020	
date	February/March 2020
location	Warsaw/Vilnius
website	<a href="#">Click here</a>
contact	<a href="#">Danielle Veldman</a> - NWEA
<b>EXPRESSIONS OF INTEREST INVITED</b>	
<p><b>BALTIC BUSINESS GAINING MOMENTUM</b></p> <p>Together with the Dutch Embassies in Poland and Lithuania, we are preparing an offshore wind trade mission to Poland and Lithuania in the 1<sup>st</sup> quarter of 2020. With the ambitions for renewables, and in particular offshore wind, in both countries getting more shape, this informative mission that is aimed at gaining more in-depth knowledge on the current market situation and the opportunities for foreign companies to supply goods &amp; services in these promising markets. Furthermore, matchmaking and networking will form an important part of the program. The registration is not open yet, but please feel free to express your interest to join or provide input for the program, by sending an e-mail to us. <i>Some interesting articles on Poland <a href="#">here</a> and on Lithuania <a href="#">here</a></i></p>	

## EXHIBITIONS & CONFERENCES

HUSUM WIND 2019 – <u>LAST</u> CALL FOR EXPRESSIONS OF INTEREST	
date	10-13 September 2019
location	Husum, Germany
website	<a href="#">Click here</a>
contact	<a href="#">Eline Timmer</a> - HHWE
<b>EXPRESSIONS OF INTEREST</b>	
<b>DEADLINE: 15 AUGUST!</b>	
<p><b>WHO IS INTERESTED TO BE PRESENT AT HUSUM WIND 2019?</b></p> <p>We are investigating the possibilities to have a Dutch presence at Husum Wind in September 2019. We are considering to have a joint stand. Furthermore EEN/RVO will be organising a B2B matchmaking event to connect the Dutch supply chain with relevant international stakeholders. More information can be found <a href="#">here</a>. <u>Companies who are interested to join this initiative, can express their interest by 15 August latest</u> (which allows us sufficient time to book a stand at a good location at the exhibition floor).</p>	

TAIWAN ENERGY FORUM & MISSION	
date	14-18 October 2019
location	Taipei, Taiwan
website	<a href="#">Click here</a>
contact	<a href="#">Eline Timmer</a> - HHWE
<b>REGISTRATION OPEN</b>	
<p><b>ENERGY FORUM (BEYOND WIND) IN TAIPEI</b></p> <p>After successful and interesting visits to Taiwan in October 2018 and March 2019, HHWE will organize again, together with NTIO Taipei, another mission to Taiwan, including participation in the Taiwan Energy Forum, from 14-18 October. The Energy Taiwan Forum is an exhibition and conference not only focused on wind energy, but also on solar energy, green finance &amp; insurance, hydrogen energy &amp; fuel cell, smart energy &amp; storage. <i>NB This activity will take place in the framework of the PIB Taiwan, but non-members are also invited to join this exhibition + mission. If you want to know more about the PIB Taiwan, feel free to contact us.</i></p>	

CHINA WIND POWER	
date	22-24 October 2019
location	Beijing, China
website	<a href="#">Click here</a>
contact	<a href="#">Eline Timmer</a> - HHWE
<b>REGISTRATION OPEN</b>	
<p><b>ONSHORE AND OFFSHORE WIND AT CWP</b></p> <p>For the ninth time in a row HHWE will organise a Holland Pavilion at the China Wind Power (CWP), which will take place from October 22-24 2019 in Beijing, China. In 2018, a total of more than 30.000 visitors from 30 countries visited the fair &amp; conference.</p> <p>After a successful mission to China in May this year, we can conclude there is a huge need for foreign knowledge and expertise in China. Since the CWP is by far the most important platform in Asia for (inter)national wind energy companies, with both onshore and offshore focus, we can encourage Dutch companies to participate in the Holland Pavilion.</p>	

AWEA OFFSHORE WIND POWER	
date	22-23 October 2019
location	Boston, USA
website	<a href="#">Click here</a>
contact	<a href="#">Arjen Schutten</a> - HHWE
<b>EXPRESSIONS OF INTEREST INVITED</b>	
<p><b>BACK TO BOSTON!</b></p> <p>The AWEA Offshore WINDPOWER Conference program has cultivated a dedicated and thriving global community of top developers and experts, making it the largest and most successful gathering of offshore wind energy professionals in the US. HHWE/NWEA will organize, together with InnovationQuarter, a booth at the AWEA Exhibition. Next to the AWEA, as part of the PIB program that is currently being prepared, we are also setting up a dedicated program with (technical) workshops, seminars and/or company visits. Further details will follow closer to the date.</p> <p><b>Obviously, to make a bigger impact with our Dutch presence, we would encourage all Dutch companies to be present our joint stand. However, if you still decide to visit AWEA on an individual basis, you are welcome to contact us to apply for discounted group rates for entrance tickets.</b></p>	

OFFSHORE & FLOATING WIND EUROPE CONFERENCE	
date	11-12 November 2019
location	London, UK
website	<a href="#">Click here</a>
contact	<a href="#">Danielle Veldman</a> - NWEA
<b>EXPRESSIONS OF INTEREST</b>	
<p><b>DEADLINE: 15 SEPTEMBER!</b></p> <p><b>POWER IN NUMBERS (AND A DISCOUNT ON ENTRANCE FEES!)</b></p> <p>The internationally focused Offshore &amp; Floating Wind Europe conference assembles developers, operators, technology leaders, financiers, government agencies, OEMs, EPCs and supply chain innovators to share insights, learn and conduct business. Last year we tried to set-up a joint Dutch stand at this event (which included conference tickets with a substantial discount!), but had to cancel as many companies missed the deadline for registration. <b>We are now collecting expressions of interest to make sure that all Dutch participants are eligible for discounted entrance fees.</b> Moreover, provided that we have a minimum amount of 8 interested companies, <b>we consider to set up a joint Holland stand as a home base for Dutch companies who participate in the event. Are you interested to join? Please contact us!</b></p>	

WINDEUROPE OFFSHORE WIND 2019	
date	26-28 November 2019
location	Copenhagen, Denmark
website	<a href="#">Click here</a>
contact	<a href="#">Danielle Veldman</a> - NWEA
<b>REGISTRATION FOR LOUNGE STILL POSSIBLE</b>	
<p><b>MAJOR OFFSHORE WIND EXHIBITION IN COPENHAGEN</b></p> <p>WindEurope Offshore 2019 is the world's most renowned meeting place for the offshore wind industry. In 2017 the event provided a platform to 400 exhibitors, enabling them to showcase their expertise, to expand their network and to learn about the latest trends in the offshore wind sector. Our Dutch Village pavilion is fully booked, but we still have some spots in our lounge for companies to display their goods or services. If you are interested, please contact us.</p> <p>It goes without saying that all visitors are more than welcome for a coffee and a chat in Dutch Village!</p>	

BELGIAN OFFSHORE DAYS 2020		
date	18-19 March 2020	<p><b>KEEP YOU NEIGHBOURS CLOSE!</b></p> <p>As part of intensifying the relationship with our Flemish counterparts to jointly tackle industry challenges that affect us both, we are planning to have a joint Dutch presence at the Belgian Offshore Days 2020. Exploratory talks with Belgian stakeholders and the Dutch diplomatic posts have been initiated already. Whereas in 2019 many Dutch companies participated in the event on an individual basis, we are aiming for a joint lounge with Holland branding that provides exhibition space to Dutch participants, as well as setting up an enhanced programme that may include a dedicated Dutch-Flemish seminar, speaking slots during the conference and/or a networking event. Companies that are interested to join the combined Dutch lounge, please express your interest to us!</p>
location	Ostend, Belgium

<b>EXPRESSIONS OF INTEREST INVITED</b>		

WINDDAYS SOUTH EAST ASIA		
date	Spring 2020	<p><b>EXPLORE WIND &amp; SURGING INDONESIAN POWER DEMAND</b></p> <p>With an estimated total potential for onshore wind energy of 9.3 GW and a vast offshore potential that has not (yet) been explored, the Indonesian government targets 1.8 GW of installed wind capacity by 2025. The Indonesian Wind Energy Association (IWEA) and its Dutch counterpart, the Netherlands Wind Energy Association (NWEA), are jointly hosting a specialised high level Conference and Exhibition named WindDays especially for the Southeast Asian market. The event will be organized by Pondera South East Asia and will be held in Spring 2020.</p>
location	Nusa Dua Bali, Indonesia	
website	<a href="#">Click here</a>	
contact	<a href="#">Danielle Veldman</a> - NWEA	
<b>NEW EVENT DATE</b>		

DUTCH VILLAGE @ WINDENERGY HAMBURG		
date	22-25 September 2020	<p><b>14 MONTHS TO GO...</b></p> <p>In 2020 Dutch Village will return to Hamburg! WindEnergy Hamburg is an event for both offshore <u>AND</u> onshore companies, it covers the whole wind sector across Europe and beyond. Have a look at the video of 2018 <a href="#">here</a> and make sure to be there! Registration will open in December, but if you are interested to join, do not hesitate to contact us to express your interest!</p>
location	Hamburg
